

**BONUS**

SCIENCE FOR A BETTER FUTURE OF THE BALTIC SEA REGION

The first ever joint R&I initiatives' workshop from the Baltic, Black and Mediterranean seas presents:

# Added value of cross-regional cooperation

Lecture hall II, 11:15-12:45, 31 May 2018, Free University Burgas

It is now right time to showcase what research and innovation in regional seas can provide in support of sustainable blue growth in Europe and beyond.

## Moderator:

**Dr. Kathrine Angell-Hansen**, Strategic Director of the Joint Programme Initiative Oceans

## Welcoming address:

**Ms. Atanaska Nikolova**, Commissioner for the Black Sea of Bulgaria and the Deputy Minister of Environment

## Overviews for discussion:

**Dr. Andris Andrusaitis**, Programme Manager, BONUS, the joint Baltic Sea research and development programme

**Ms. Irina Makarenko**, The Black Sea Commission, Pollution Monitoring and Assessment

**Dr. Fabio Trincardi**, Coordinator of BLUEMED Coordination and Support Action, National Research Council, Italy

For the participants: **Join the event at [www.slido.com](http://www.slido.com), the event code #Y397.** As the event unfolds, ask your questions that you would like the panellists to answer, and take part in audience polls!

**Welcome!**
