

One Mediterranean:
practices, results and strategies for a common Sea

BlueMed CSA Final Conference
Feb. 22-24, 2021

BlueMed HACKATHON

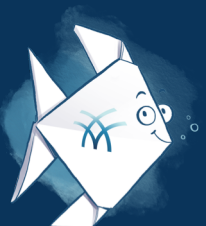

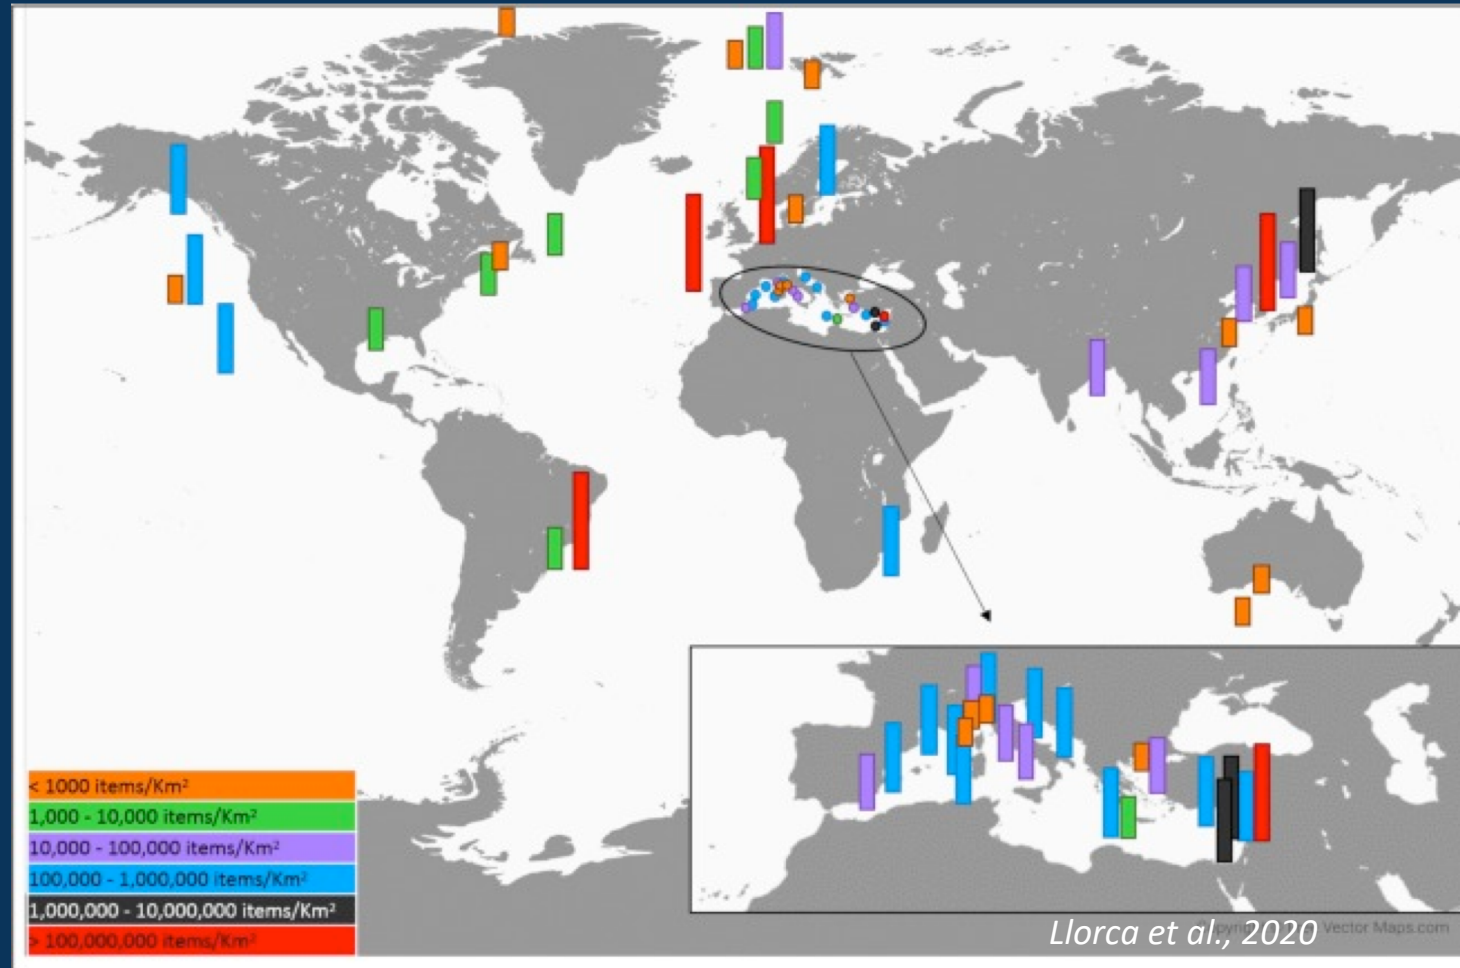

BlueMed Pilot action on a Healthy Plastic-free Mediterranean Sea

Fedra Francocci CNR IAS, BlueMed CSA

blue**med**

Research and Innovation
for blue jobs and growth
in the Mediterranean Area

The marine litter occurrence in the MED requires urgent actions and shared priorities among Mediterranean Countries

BlueMed Hackathon

in the frame of “Pilot Action on Healthy Plastic-free Mediterranean Sea”

- A team challenge to find solutions to plastic pollution and to promote sustainable blue growth in the Mediterranean
- A unique initiative to stimulate the participation of young graduates and students in STEM disciplines

Bluemed Pilot Aims:

Promoting networking, and shared practices also through digital platform

Promoting cross borders collaborations and connecting Universities

Launching the BlueMed HACKATHON - call4ideas

5. The Final Pitching Battle!!
@Digital "...and the winner is..."

Project Delivery
